SKILLS

- Adobe Creative Suite
- Autodesk Programs
- Blender
- Rhino 3D
- Twinmotion
- Unreal Engine
- Attention to Detail
- Drawing
- Parametric Modeling
- Photography
- Project Management

LANGUAGES

- English (Fluent)
- German (Fluent)
- French (Intermediate)

Young architect experienced in various fields from traditional and computational design to sculpting and performing arts with a passion for computer animated imagery, production and story telling. Pragmatic and fast learning, I have a proven discipline for managing workloads and meeting deadlines. I am seeking a creative and challenging position to further develop my skills in a dynamic workplace.

WORK EXPERIENCE

ART PRODUCTION ASSISTANT

Insight Productions | 135 Liberty Street, Toronto 2023

- Set dressing for unscripted TV "The Amazing Race Canada"
- Preparing the treasure hunts around Vancouver filming locations
- Ensuring props are of quality and in the correct location
